# WESTMINSTER SPIRES CAMP

Yellowstone Presbytery is offering a unique and quality camping experience for youth and children. We are a Presbyterian Church Camp and Conference Association (PCCCA) member. Programming for each age group is back and better than ever. We have recruited excellent leadership and are looking forward to a wonderful summer at Spires!

Radical change was the basis of Jesus' ministry, and we are carrying this idea forward with a "Breakthrough" theme which will explore a series of biblical stories that represent transforming encounters with Jesus. Campers will first hear the story of Jesus welcoming children through a radical, countercultural act that challenges the followers of Jesus to offer a welcome to all of God's children.

Relationships play a huge part in all the summer programming. Lifelong friends are made and you are able to meet again and again at Yellowstone Presbytery youth programs throughout the year. We offer leadership opportunities to campers and others through volunteer and staff positions, as well as chances for participants to help out during each camp.

And last but not least, we have a lot of fun. There are all kinds of great games to play, jokes to tell, campfires to sit around and many more activities to enjoy! Join us in making Yellowstone Presbytery Camping a part of your summer plans this year.

**This year we are having a T-shirt logo design contest. If you want to get involved, check out the contest rules coming soon to a Presbyterian Church near you. Deadline for design is May 1, 2009**
