

HOW TO SUPPORT A MISSIONARY PROJECT OF YOUR CHOICE:

You can search: www.pcusa.org/missionconnections/ to find a missionary/project you want to help support. You can search by name, country, etc. This is a very informative site to revisit as you go along. It is also available on our website www.yellowstonepcusa.org on the left hand side under “Mission Connections”.

Once you have chosen your missionary project and have its number (like D 507254), then you should:

- 1) Fill out a Pledge form for **each** year: “Directed Mission Support Pledge Form”. PCUSA Office of Gift Administration can be called to get a form faxed to your church: 1-888-728-7228 x 5650 or it is available online at www.yellowstonepcusa.org under the Mission Pledge Form link on the left hand side. This gives the missionary an idea of the level of support they can expect in any given year.
- 2) Send the Pledge form where directed. This is a Pledge form, NOT the remittance form used to actually send the money.
- 3) Send funds* **always accompanied by** the “Mission Treasury Service Remittance Form” where directed for our Presbytery to:

Mission Treasury Service
PO Box 685
Wheatridge, CO 80034-0685
 - be sure to note on the check those project numbers
 - please do not send the funds anywhere else or the Presbytery will not know of the donations in the quarterly reports we receive
- 4) Synod of the Rocky Mountains can be called to get a “Mission Treasury Service Remittance Form” faxed to your church: 1-888-702-5968 or you can find it on our website: www.yellowstonepcusa.org on the left hand side.
