

Westminster Spires Camp

Westminster Spires Camp is a ministry of Yellowstone Presbytery. This beautiful camp located eight miles south of Red Lodge, Montana on Highway 212 provides a traditional camp experience along the shore of Rock Creek and at the base of Westminster Spires. The facilities include three dormitory style cabins, four staff cabins, a building for crafts, worship and presentations, a dining hall, and a building with showers and bathrooms for men and women. The camp is designed to comfortably accommodate 50 people.

Westminster Spires is located at the base of the spectacular Beartooth Highway which leads to the northeast entrance of Yellowstone Park. The camp has easy access to fishing, hiking and backpacking in the Absaroka Wilderness and is within close driving distance to rafting on the Stillwater River. This quiet mountain setting is the ideal location for groups, families or individuals to enjoy the beauty of nature, spend time in fellowship with friends, worship, study and recreate in one of the most beautiful parts of the Rocky Mountains or simply spend time in silence and solitude.

This seasonal camp provides a youth camping program during the month of July. Donations of time, talents, in-kind donations of equipment and supplies and/or financial gifts help support this ministry. Volunteers serve as staff for the camping program and assist in maintaining the property and facilities. Financial support is utilized to upgrade equipment, provide basic supplies and to supplement the camp program. If you would like to support this ministry in any way, please contact Curt Kochner at 406-259-7368, or by email at ckochner@mcn.net.

Reservations for Westminster Spires

Westminster Spires is open only during the summer season. We open the camp on the first weekend of June with Revamp the Camp. Volunteers spend the weekend cleaning all the building and the grounds to make the facilities ready for use by our guests.

Our youth camps are held during the month of July. Information about the summer camp season is available on the Yellowstone Presbytery website.

Our kitchen and dining room can comfortably accommodate 50 people. We do not have a cook on the staff, so guests need to take care of their own cooking arrangements. The kitchen has all necessary equipment for preparation and serving of food.

The camp facilities are available for rent by guests during the season. We close the camp in mid-September.

Several electrical hook-ups for RV units are available in the lower meadow, but we do not have RV septic facilities. Tent camping is available in the lower and upper meadows. All cabins have electricity and we have one central facility for men's and women's bathrooms and showers.

Information about rental rates and the camp reservation form can be found on the Yellowstone Presbytery website at www.yellowstonepcusa.org. Please contact the Presbytery office at 406-586-7706 for information about the camp schedule and available dates.
