
**“Serving the Servants of the Church: Caring for Your Church Employees” Workshop
Led by the Rev. Mark T. Frey, CEBS, RPA – Church Consultant, The Board of Pensions
(PCUSA)**

**March 8, 2019 – 10:30 am
First Presbyterian Church – Billings, MT**

Every congregation has an opportunity to be intentional about how they care for those who serve faithfully as employees in their church, including those who may be employed for even a few hours each week. This workshop will provide an opportunity to reflect on how we think theologically and practically about caring for church employees. What beliefs and values guide us? How do we embody a wholeness-producing approach in employment practices? What are some of the ways we can demonstrate our care for employees through benefits? In what ways do our employment practices teach others about healthy care for employees in settings outside of the church? How can we get started, or take the next steps, in developing a plan for caring for our church employees? What are some of the key components of an intentional employee care program? What options are available through the Board of Pensions to assist you as you care for your valued employee or employees? How do we honor God and strengthen our church community through the care we provide for church employees?

This workshop is intended to assist the ministry and mission of your congregation by helping you to strengthen your practice of effectively caring for your faithful employees.

Mark Frey will be available for individual consultations for most of the March 8/9 Workshop & presbytery meeting
